Dear Sir,

M.

I return herewith the midship section and profile and deck plans for The Ailsa Shipbuilding Co's No. 417 ship, forwarded with your letter of the 20th instant, and with regard thereto I have to inform you that it is considered the proportions of this vessel are suitable for the service intended, and therefore no question need be raised regarding dimensions.

It is concluded that the plans have been approved for a Summer moulded draught of 15'6", but I shall be glad of your confirmation in the matter.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
