"SYEA BORG"

Malmö. 22/7

Before this case receives the consideration of the Committee it is submitted the surveyor be requested to state when and where the materials used for the principal machinery forgings were made with reference to the economies which can be ~~had~~^{2.6} used in conjunction with the donkey boilers. The Surveyor should be requested to confirm whether ^{the provisions} ~~for economies~~ ^{in his report} ~~the economies~~ was enforced as set forth in his ^{for economies} Secretary's letter 13.1.44 ^{as this is not quite clear from the} certificate (Göteborg 4th November) attached to the case.

The forgings can only be accepted on the results of tests & examination made in Sweden, or other neutral Country, or Allied Territory. Statements originating in enemy or being occupied territory, have no value.
