Dear Sirs,

s.s. "HARALD"

I acknowledge your letter of the 14th December, and note that the tug is now laid up at Stockholm.

In these circumstances the Committee are agreeable to the class remaining undisturbed in the meantime provided that the outstanding surveys are carried out before the tug is again placed in service.

I take this opportunity to point out that the Main Boiler Survey will become due at the end of May next.

I shall be glad if you will advise the Owners accordingly.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
GOTHENBURG.

c.c. Stockholm.
