Dear Sirs,

Steam Tug "HARALD"

I acknowledge the receipt of your letter of the 8th instant and have since informed the Committee of the Owners' request.

In reply I am pleased to say that the proposal to postpone the Screwshaft Survey until the tug proceeds south, towards the end of the present year, has been approved, this decision being reached on the same basis as that mentioned in my letter of the 4th March, namely, that the vessel is employed only for harbour work at Lulea until she leaves that port.

Yours faithfully,

c.c.Stockholm.

Clerk to the  
Classification Committee.

The Surveyors,  
GOTHENBURG.
