Dear Sirs,

M.S. "BRITISH DRAGOON"

With reference to my letter of the 3rd January, I shall be glad to learn if you are yet in a position to let me know your proposed arrangements regarding the Special Survey, so that the Society's Surveyors concerned may be advised. You will note that the year of ~~grace~~ will expire at the end of November.

I take this opportunity to remind you that the Auxiliary Boiler Survey ~~also~~ becomes due at the end of November, and the crankshaft centre coupling requires to be examined at this time. It is concluded that these matters will be dealt with concurrently with the Special Survey.

Yours faithfully,

Clerk to the
Classification Committee.
