Lloyd's Register of Shipping.

High Close, Wokingham, Berks.

28th July, 1943

Dear Sirs,

The First Entry Report of Survey on the hull has been received from the Sunderland Surveyors on the Motorship "EMPIRE ALLIANCE", together with the report on the Electrical Equipment.

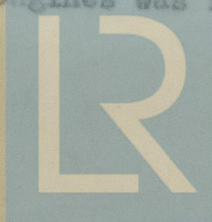

It is noted that the machinery for this vessel has been under survey and fitted at your Port, but so far no reports have yet come to hand, and I shall therefore be glad if these be forwarded to this office at your earliest convenience.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
NEWCASTLE-ON-TYNE.

Clerk to the
Classification Committee.

P.S. Glasgow Report No. 66680 on the engines was forwarded from the Sunderland Office in February last.
