

*Milford Prince*

S.S. "THOMAS ALLEN".

This vessel was built at Beverley under the special survey of the Surveyors of this Society.

The engines were made at South Shields and the Boilers at Glasgow under the supervision of the British Corporation and installed on board by them. The certificate issued by them is attached hereto.

As it is provided in the Committee's circular letter dated 16th March, 1918, that in such cases this Society will issue the machinery certificate with the notation of LMC with date in red, it is submitted this vessel is eligible for the record of LMC 3.20.
