QUESTION

ANSWER

You will note that this ship has not been seen in drydock by the Society's Surveyors since January 1961, and I shall be glad to learn what arrangements are proposed to be made for a further Drydocking Survey to be held.

I would remind you that the Special Survey becomes due at the end of October.

The Owners have not yet decided about the Special Survey in this case. They propose leaving the matter towards the end of the month, when they will be in a better position to know if they can take the vessel off service for Special Survey. In any case they will be drydocking probably next month.
