

26th May, 1959

RAEUS.

998, 8000, 15, 19 - As recommended.

995 "ADELPHOTIS II" - As recommended. I shall be glad if you will confirm that all the requirements (where applicable) of Chapter F of the Rules have been dealt with, also that the oil fuel discharge pipes have been tested, the funnel damper removed, also that the oil fuel pumps are capable of being stopped from a position accessible in the event of fire in the machinery spaces and that an emergency fire pump driven by ^{an} oil engine is fitted.

002 "WORLD INHERITANCE" - As recommended, except that a subject should not be imposed in respect of the completion of the Boiler Survey, and in the circumstances I shall be glad if you will issue a fresh Interim certificate amended in this respect, and forward a copy to this Office for our records.
