

COPY.

Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

18th August, 1933.

Dear Sirs,

S.

With reference to Oslo Report No.4097 on the steamer "MAUDIE", I have to refer you to your statement that the press boilers which were fitted when the vessel was converted into a whale oil factory "have been constructed as per approved plan, and to request that you will be good enough to furnish full particulars of identification of all the press boilers now on board, together with particulars of their approval. If the boilers were constructed under survey in that district, you should at the same time forward for reference a copy of your report thereon.

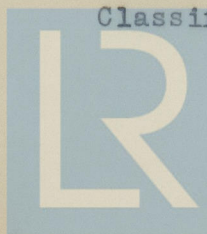

Perhaps you will also let me know whether permanent repairs have been effected to the windlass.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
OSLO.

Clerk to the
Classification Committee.
