2nd December, 1926.

Dear Sirs,

With reference to the case of your Motor Oil Tanker "PROWESS" built by Messrs. Geo. Brown & Co., I beg to remind you that to entitle the vessel to a clean record of survey the spare gear for the machinery requires to be checked by the Society's Surveyors.

I shall therefore be glad if you will kindly let me know where and when the survey can be completed.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
