Extract from Letter received 12.10.46. from The
British Tanker Co. Ltd., dated 11.10.46.

m.s. "EMPIRE MACCOLL".

We are in receipt of your letter of yesterday's date
and in reply have to advise you that this ship is due for
drydocking in January next, and when this is undertaken we
will arrange for the examination of the main engine bedplates
in way of the thrust entablature and for the Screwshaft Survey.
