Steamer "LARCHOL"

Publications Department (Mr. Eastaway) has enquired regarding this case and pointed out that there is no 'Laid up - Surveys overdue' record. The case is therefore submitted for consideration, and Publications Department would like a decision today as letter 'L' for the new Muster Book is due to go to press this afternoon.

I have telephoned to the Admiralty (extension 1371) and have been informed that the vessel is still laid up at Pembroke Dock.
