Dear Sirs,

sen. (H)

S.S. "TRANSMANS"

I acknowledge your memorandum of the 26th February and note that this vessel is still laid up at Kasado.

The object of this and similar enquiries is to ascertain periodically whether ships remain laid up in the vicinity as known at the time and Owners need not be approached on this particular subject unless this is found to be necessary.

The position of this case is as stated in my letter to you on the 20th October, except that the Main Boiler Survey should now be included in the outstanding surveys.

A copy of a letter I have today addressed to our Secretary at New York is enclosed.

S.S. "TRANSKIPPER"

I note that this ship is still laid up at Kasado. The position of this case is as stated in my letters of the 11th June and 9th December.

A copy of a letter I have today addressed to our Secretary at New York is enclosed.
