QUESTION

ANSWER

With reference to your
memorandum of the 22nd May,
I am all the more glad to learn, in
the absence of any information
reaching this Office to the effect
that the vessel has been
submitted to survey, whether
I can furnish you with any
further information regarding
this case.

Date:—

This ship is now enroute to Japan
for laying up, but the Owner's
Superintendent has promised to
arrange for the Yokohama Surveyors
to examine the repairs in
connection with the hull condition
of class.
