Re:- T.S. "TRAUNSTEIN", Steam Boiler Installation

With reference to our today's telephone conversation, we should like to inform you that T.S. "TRAUNSTEIN" is laid up since the 10th November, 1958.

On the 19th December, 1958 we have already sent an approximate letter to the "Amt für Arbeitsschutz", department: inspection for steam boilers and engines, Bremen, and enclose herewith copy of that letter.

We hope that you are satisfied with these statements and remain

Yours faithfully,
