QUESTION

ANSWER

With reference to previous correspondence, I shall be glad to learn whether this vessel is still laid up.

The Screwshaft Survey will become due at the end of October.

Date:— 11th August, 1960

We have been informed by Messrs. Eisen- u. Metall, Bremerhaven that the above vessel was sold to them by the Owners to be broken up. It is though not yet decided whether the work of demolition will be carried out at Bremerhaven or Hamburg, and when it will be started.
