Enclosure.

1st October, 1951.

Dear Sirs,

M.S. "STIENTJE MENSINGA",  
Paxman 12 R.P.H. type engines Nos. 57387/8,  
SLM Gear Boxes 1659 and 1662.

I am in receipt of your letter of the 27th ultimo enclosing your Report 10 No. S.1038 covering the inspection of the above engines.

With regard thereto I have to say it has been thought desirable to re-draft this certificate, and I accordingly send herewith an amended certificate with three copies, and I shall be glad if Mr. Newton will kindly sign and return three of the copies to this Office.

The fee of £8. 8. 0 suggested by you for your services is in order.

I may add it is probable that these engines were originally built under Lloyd's Register scheme for tank landing craft engines.

Yours faithfully,

pro Secretary.
