27th November, 1961.

Dear Sir,

C.

Motorship "JAVA" (9333 tons)

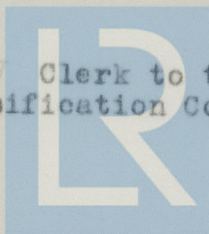

DHGK/MAL

With reference to New Orleans Report No. 10074, you should inform the Surveyor that the notation DBS 9.61 cannot be assigned until the starboard exhaust gas economiser has been examined internally and the forced circulating pumps examined. An amended Interim Certificate should therefore be issued, with a copy to this Office.

Yours faithfully,

The Secretary,
NEW YORK.

Deputy Clerk to the
Classification Committee.
