

18 OCT 1944

LLOYD'S REGISTER OF SHIPPING

WHYALLA. S. AUST.

9th September, 1944.

The Secretary,

LONDON

Dear Sir,

S.S. "RIVER DERWENT"
BROKEN HILL PTY. CO. LTD. NO. 5 SHIP

I beg to forward First Entry Report on this vessel together with plans as built and forging reports, also conditions of Assignment for Freeboard, Freeboard Request Form and Verification Form.

In addition, copies of Provisional Certificate of class and Freeboard are enclosed.

The Freeboard Computation was forwarded in March last.

With regard to the First Entry Report on the S.S. "River Glenelg," forwarded in March of this year, I beg to point out that the particulars of the stream anchor should be amended as follows;

No. of Certificate	2393.
Weight (ex stock)	22 cwt. 1qr. 0 lb.
Test per Certificate	22 tons, 11cwt. 0 qr. 0 lbs.
Drop Test No. 1005	Weight 13-1-0.
Surveyor's initials:	CRM.
Date of test	30/5/42.

The remaining particulars are as already recorded for Anchor No. 2386.

The particulars of anchors were verified on the quayside before being housed and inadvertently the wrong stream anchor was placed on board. The respective certificates are now in order for each vessel.

Yours faithfully,

J. H. H. H.

(Plans as built - forwarded Under separate Cover)
