25th August, 1961.

Dear Sirs,

S.Trawler "ARCTIC TRAPPER"

With reference to my letter of the 6th April last addressed to the Managers a copy of which was forwarded to you, I shall be glad to learn what definite arrangements have been made to carry out the General Examination of the hull and machinery afloat, with a view to the postponement of the Special Survey until January 1962.

Confirmation that the Main Boiler Survey, referred to in the final paragraph of my communication, will be carried out concurrently with the General Examination is also requested.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HULL
