6th April, 1961.

Dear Sirs,

S.S. "ARCTIC TRAPPER"

In reply to your letter of the 28th March I am pleased to inform you that provided a satisfactory General Examination of the hull and machinery is held afloat about July next, the Committee will be prepared to consider your proposal to postpone the Special Survey until January, 1962.

I have to point out that the Main Boiler Survey will become due at the end of the present month, and it is concluded that this inspection will be dealt with at the same time as the General Examination.

Yours faithfully,

c.c. Hull.

Deputy Clerk to the
Classification Committee.
