BY HAND

Dear Sir,

m.v. "IRINI'S LUCK"

We acknowledge receipt of both your letters of the 29th ult. and 2nd inst. and note contents.

As the undersigned explained to you on the telephone it is the Owner's wish and intention for the vessel to retain her class until arrival at Santander, Spain, where after discharging her cargo from Rostock she is to be delivered to buyers for breaking up. As the vessel at present is at Rostock discharging and according to your letter you have no Society's Surveyor there, we suggest as to whether it would be possible for you to send your own surveyor from London at the expense of the Owners, as it is difficult for the vessel after completion of her discharge at Rostock to proceed to another neighbouring port for your inspection and then come back to Rostock to load for Spain.

We confirm telephone conversation the writer had with you this morning and we now await your decision.

Yours faithfully,
P. WIGHAM-RICHARDSON & CO. LTD.
