QUESTION

ANSWER

I shall be glad to learn what arrangements are proposed to be made for the Screwshaft Survey, due at the end of the present month, to be carried out.

Date:— 31st October, 1962.

The owners state that they contemplate to sell the ship for breaking up, and that they desire postponement with the Serewshaft Survey abt. two months.

It has allready been reported in the press that the ship was sold, but the owners stated to-day that the sale was not yet in order, and that we will be informed in due course.
