

2nd August, 1949.

Dear Sirs,

I am in receipt of your letter of the 26th ultimo respecting the tanker "ESSO BIRMINGHAM", the contents of which are noted.

In reply, I have to say that the total fee for the Special Survey of the hull has already been charged. If, however, the extent of the repairs was appreciably greater than considered normally incidental to the completion of the Special Survey, a moderate repair fee might be charged.

A sum of £50 should now be charged for the completion of the Classification Surveys of Machinery and Electrical Installation.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
NEWCASTLE-ON-TYNE.
