Dear Sirs,

Steamer "ESSO MANCHESTER"

With reference to our telephone conversations regarding the issue of a certificate to enable this ship to be towed to the Clyde for breaking up, I have to confirm that provided the ship is found or placed in a satisfactory condition for the proposed voyage, special attention being paid to the means of closing openings, a certificate may be issued indicating that she will be unclassified for the voyage, responsibility for stability and towing arrangements rests with the Owners and the certificate relates only to the fitness of the hull to be towed.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
BELFAST.
