Dear Sirs,

H. I am in receipt of your letter of the 19th instant intimating that the steamer "IRON BARON" is still laid up at Amsterdam and that the Owner desires to postpone the 2nd Special Survey No.2 until she is again placed in commission, and in reply I have to say that in the circumstances the Committee, who had the case before them at their meeting to-day, have deferred consideration of the same for the present.

I shall be glad if you will inform the Owner accordingly.

I may remind you that the Main Boiler Survey will require to be carried out before the vessel is again employed.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
OSLO.
