The Lloyd's Register of Shipping,  
Ballard Estate,  
Bombay-1.

Dear Sirs,

S.S. "JALAKANYA".

We are in receipt of your Classification Committee's letter of 1st October, 1962 sent through you and have to inform you that our above vessel is plying on the Indian coast only. We are trying our best to obtain drydock to fit in with the ship's programme, but due to drydock congestion we have not so far been successful. Tailshaft cone will be attended to as soon as the ship drydocks.

As regards the Bower Anchor, we hope to get the same imported within four months' time, which is delivery period quoted by manufacturers.

Yours faithfully,  
For The Scindia Steam Navigation Co., Ltd.
