vessel's name

"JALAKANYA"

Port

MDR

No. 1723.

Last survey date 4/11/62.

subject is subject to:-

- (1) Propeller being specially examined at the next dry docking.
 - (2) Screwshaft cone being examined and crack detected by 9.62 (6 months limit), record of TS (CL) 3.62 withheld meantime.
-

The Surveyor reports some repairs effected to the Main Engine HP unit, it being stated that upon examination both top and bottom halves of the HP astern eccentric straps found broken and the bolts bent also one of the distance pieces of the strap found fractured. Upon completion of repairs and renewals, the Main Engines examined working and manoeuvring and found satisfactory.

IT IS SUBMITTED that this vessel is eligible to remain as classed, subject as above.
