Lloyd's Register of Shipping.

Port CALCUTTA

27th December 1951

This is to Certify that I have  
inspected the Boiler and Machinery of the S.S. "JALAKANYA" 7180  
gross of Bombay, afloat and in drydock, on the 28th August  
and subsequently for Special Survey and Screwshaft

that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
recommended that the record of L.M.C. 12-51 and T.S.  
be entered in the Register Book in the case of this vessel.

E. Grievess.

Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—  
The Committee use their best endeavours to ensure that the functions of the Society are properly  
understood that neither the Committee nor the Society are under any circumstances whatever  
responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in  
the Register Book or other publication of the Society, or for any error of judgment, default, or  
omission by the Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
