Dear Sir,

In reply to your Air Letter dated the 25th ultimo regarding the S.S. "JALAKANYA", I beg to advise you that arrangements are being made to verify the Bower and stream anchors of this vessel and that ~~these~~ particulars will be reported in due course.

As regards the statement in the third paragraph of your above letter I beg to confirm that the name of "JALAKETU" given in the second and third paragraphs of my letter of the 13th August 1947 is an error and that it should be "JALAKANTA".

I am, Dear Sir,  
Yours faithfully,

*T. H. Noel*
