Dear Sirs,

I have to send herewith for your information and guidance in completing the survey, the London first entry report on the two single refrigerating machines made by Messrs. J. & E. Hall, Ltd., of Dartford, for Messrs. Workman, Clark & Co's No. 489 vessel, and shall be glad if you will kindly give the case the necessary attention.

The water circulating pumps are being supplied by the shipbuilders in this case, and details of these pumps and the spare gear should be shown on your final report on the installation.

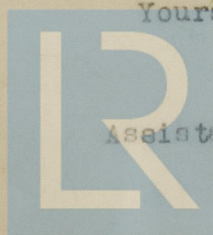

I have to add that on completion of the survey an account should be rendered to Messrs. Workman, Clark & Co. for the total fee and expenses due, and on payment, one-third of the fee, viz:-£10, in addition to the expenses as noted on the report, viz:-19s.4d., will be due to this Office, which I shall be glad if you will kindly note.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,

BELFAST.

Assistant Secretary.
