

Memo. respecting incomplete survey on

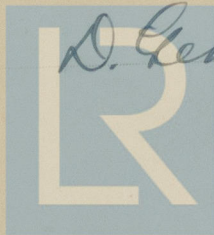

Workman Clark's N^o 489 tons.

London 24th Nov. 1926.

U. & Entry Report on Refrigerating Machinery.

As circulating pumps are being supplied
Shipbuilders and the Surveyors at Belfast
could be advised to obtain and report upon
the particulars of these pumps and the spare
parts supplied for them.

FOR MR. S. A. HILL.

D. Gemmell 20

Surveyor.
