"STANVAC RIAU"

Gentlemen:

It has been decided by our Head Office in New York  
that the 6th Special Survey of subject vessel will  
not be carried out, due to the very high cost involved.

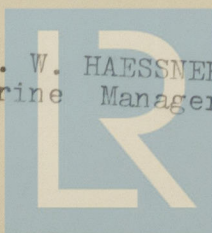

Therefore, we are presently contemplating to lay up the  
"STANVAC RIAU" in Singapore at the end of November awaiting  
the sale to one of the shipbreakers in this area.

Yours very truly

PETROLEUM TRANSPORT & SERVICES INC.

Signed.....

R. W. HAESSNER
