Dear Sirs,

The proposed renewals agreed jointly with the Owners' Representatives have been examined and are in order, provided:-

1. The 4 corroded trunk deck plates (starboard side) recommended for further examination are dealt with as necessary at the Special Survey.

When all the above items have been dealt with and the Special Survey satisfactorily completed, the present class of 4100AL Oil Tanker could be retained, and the drilling notation assigned for an 8 year period.

Two copies of each plan are returned herewith, the third set being retained in this office for reference.

Yours faithfully,
