30th October, 1939.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 26th instant respecting the steamer "ULMUS", and in reply may say from an examination of the Surveyor's report in this case it appears that the damage repairs were completed on the 30th December, 1938, and he would therefore have no reason to defer issuing the Interim Certificate until the 9th January, 1939.

It will be appreciated, of course, that the Surveyor in question is not stationed at Oran but at Algiers, and that the 30th December was the date of his last visit to Oran.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
