Sirs,

s.s. Ulmus at Oran.

Following a fire in her cargo of Esparto grass at Nemours  
December 19th 1938, this steamer proceeded on the 21st December  
Oran for temporary repairs, arriving there on the following day.

We are in possession of a certificate of seaworthiness issued  
the Master which is signed by Mr Dewar Paton, and we should like an  
planation as to why this document is dated 30th December 1938 when  
vessel did not in fact leave Oran until the 9th January 1939.

We shall be glad to hear from you on the matter.

Yours faithfully,  
For & on behalf of

WILSON & HARRISON LTD.
