

Received 6th February, 1939.

Answered

enclosure of
Extract from/letter dated 31st January received ~~from~~ by
Dewar Paton, Surveyor, Algiers. from F.C. Strick & Co., ORAN.
Original letter with "TOUSSIKA"
Vessel's Name "ULMUS".

The poor old "ULMUS" is now at Tangiers; she is
still on fire and I believe will become a total
constructive loss.
