# LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

Port of Piraeus,

14th December, 1957.

This is to Certify that

E.B. Fraser

The undersigned Surveyor to this Society did at the request of the Owners attend on board the S.S. "PARCORALI" 3727 tons gross of Monrovia whilst vessel lay afloat at Piraeus on the 11th December, 1957 for the purpose of witnessing a test on all cargo derricks.

All derricks port and starboard were placed in a position of 45° to the horizontal for this test, with the head of the derricks extending over the ship's sides.

An overload of 25% was applied and sustained for several minutes during which time the derricks, stays, blocks and shackles were satisfactory.

In the opinion of the undersigned the derricks are suitable for the maximum working load, as marked on the derricks.

Survey Fee £ 20. 0. 0  
Stamps 9

  
Surveyor to Lloyd's Register.

is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

Committees of the Society use their best endeavours to ensure that the functions of the Society are properly understood that neither the Society nor any Member of any of its Committees is under any circumstances held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
