Dear Sir,

M. V. "PANSIO" (R.B.No. 23625)

The above vessel has arrived here for extensive collision damage repairs to the fore end structure.

In connection with this major repair we would be most obliged if you could forward, at your earliest convenience, the plans of shell expansion, stern & stem platings, decks, fore peak tank, deep tank and any other relevant fore end structure that may be available.

The Secretary,  
London

Yours faithfully,

*R. Ferguson*
