The Secretary,  
LONDON.

Dear Sir,

M.V. "LEPTON"  
BELFAST REPORT NO. 14332.

In reply to the classing letter of the 21st instant regarding the report on the diesel engine electric generator, we have been advised by the Nottingham Surveyors that this report was forwarded to you on the 18th instant.

It is regretted that, through an oversight, we did not communicate with the Nottingham Surveyors before the vessel was completed.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors.
