This is to Certify that I have

A Freeboard Renewal Survey has been carried out at this time and Certificates will be issued valid for three months.

Surveyed the M.V. "LATIRUS" 6476 tons gross of London, on the 30th October, 1958 and subsequently, whilst the vessel was afloat at anchorage in the River Blackwater, for the purpose of ascertaining the general condition of the vessel's structure for a contemplated voyage to Rotterdam and the return passage to the River Blackwater, as an unclassified vessel,

and that I have transmitted to the Committee of Lloyd's Register

of Shipping, London, a Report, as on the other side, stating

that all repairs recommended by me have been completed to

my satisfaction.

N.B.

This vessel has notation in the Register Book of
"Laid up - Special Survey and Repairs incomplete."

signed:- T.A. ORDE.

Surveyor to Lloyd's Register.
for P.H.W. EVANS.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:--

the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any error or omission in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Agents of the Society."

NOW DONE:-

The following spaces generally examined:-

Peak spaces, cargo hold, both pump room spaces, engine and boiler spaces and spaces below machinery, and accommodation spaces.

Cargo tanks generally examined.

Port Nos. 2 & 8.

Centre Nos. 6 & 3.

Starboard Nos. 3 & 5.

Windlass and steering gear examined working.

A Freeboard Renewal Survey has been carried out at this time and Certificates will be issued valid for three months.

The general condition of the vessel as now seen is considered to be satisfactory for the voyage to Rotterdam and the return to the River Blackwater, and subsequently, for the purpose of ascertaining the general condition of the vessel's structure for a contemplated voyage to Rotterdam and the return passage to the River Blackwater, as an unclassified vessel.

and that I have transmitted to the Committee of Lloyd's Register

of Shipping, London, a Report, as on the other side, stating

that all repairs recommended by me have been completed to

my satisfaction.

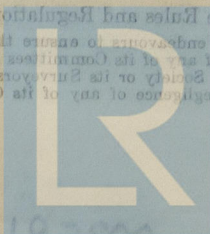

This vessel has notation in the Register Book of "Laid up - Special Survey and Repairs incomplete."
