Dear Sirs,

S.S. "LADY DENISON-PENDER"

With reference to your letter of the 17th September, I have to inform you that the case of this ship has been considered by the Committee at their meeting today and it has been decided to record a notation of "Surveys Overdue 9.62" in the Society's Register Book.

As the ship is laid up, it may be that you would prefer that this should be reflected in the notation appearing in the Register Book and, if so, the Committee would be prepared to give instructions for a notation "Laid up-Surveys Overdue 9.62" to be recorded.

Yours faithfully,

pro Clerk to the
Classification Committee.
