QUESTION

ANSWER

With reference to your memorandum of the 24th March, I shall be glad to learn whether you can furnish me with any further information as no communication has been received from the Owners in London.

The Boiler Survey will become due at the end of June.

Date:— 29th April, 1960.

Owners' Agent states that the P. & O. Secretary, London, was advised by his letter dated 30th March, 1960, to contact the Society's Head Office regarding this vessel and has not received any communication himself. He suggests that the present P. & O. merger of the Orient Line may be the reason for delay in this matter.
