71, Fenchurch Street, E.C. 3.

WLJS

19th September, 1931.

Dear Sir,

S.

With reference to Glasgow First Entry Report No. 51756 on the Motorship "IMPERIAL TRANSPORT", I have to say that it is concluded the pumping arrangements in the cargo holds etc. are as approved but I shall be glad if you will ascertain and let me know whether this is so.

I shall also be glad if you will inquire from the Surveyor, and let me know, the number and size of the bilge suction in the spaces outside the cargo tanks and main engine room, and the size and capacity of the pump in the forward pump room.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

GLASGOW.
