Dear Sirs,

Classen (S)

Steamer "ROY"

HWM/CB

In confirmation of our telephone conversation of yesterday regarding the Owners' proposal to send this ship with cargo to Formosa, where she will be broken up, I have to acquaint you that if she is to proceed as a classed ship the Committee will require you to hold a comprehensive General Examination in drydock, together with the Boiler and Screwshaft Surveys.

On receipt of your reports the Committee will give instructions for the class to be restored for the time being.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
ROTTERDAM.
