28th April, 1959

Dear Sirs,

sn.(H)

Steamer "ROY"

With reference to the Screwshaft Survey, which became due at the end of January last, and to the Main Boiler Survey, due at the end of June, the Owners have informed the Bergen Surveyors that the ship is laid up at Rotterdam and will probably be sold, also that they will advise prospective purchasers of the position. I shall be glad if you will be guided accordingly.

The vessel's class is subject as per entry in the Special Reasons List (No.167).

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
ROTTERDAM.
