Date:- 24th May, 1960.

With reference to my letter of the 6th January last, it is concluded that this ship is still laid up at Arendal, but I shall be glad if you will confirm that this is so.

You should remind the Owners that the Special and starboard Screwshaft Surveys become due at the end of June next.

The ship is still laid up at Arendal and we have informed the Owners of the surveys due in June next.
