

Received by Chief Ship Surveyor

Received from Chief Ship Surveyor

VESSEL'S NAME *M. S. S. "Gera"*Rpt. *Haw.* No. *15527*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Nature of Survey

*First Entry.*

It is submitted before this case receives the consideration of the Committee the Hamburg Surveyors should be requested to state the weight of the chain cable, in order that the question regarding the equipment might be looked into.

Also they should be requested to state whether the breadth of laps of F, G, H, J, and K strokes are as required as this is not clear from the report.
