Port CAPE TOWN.

3rd June 1939.

This is to Certify *that I have*

surveyed the Boiler and Machinery of the S.S. "SWAZI",
of Cape Town, 247 tons gross, whilst on a Slipway at Cape Town.

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have

Recommended *that the record of* B.S. 5,39.

is made in the Register Book in the case of this vessel.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
Officers or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.
